Angela,

Let me know if you need anything else.

Have a great day,
Linda

Linda,

Thank you, so much for the time you spent with me on Friday. I really enjoyed getting to know more about the way our middle schoolers are served in gifted classes. I look forward to staying in touch as many of my little ones come your way!

Thanks again!

Do you know where my room is?

I am on the second floor. Go up the main stairs. Take a right. My room is 211 C in the second alcove on the right.

I'd love to still come and visit, if it's okay. I need to get it done. :)

Hi Angela,

I just learned from the sixth grade team that all students are required to attend a meeting during homeroom. This means that I will not have students during homeroom time. You and I can still meet and discuss the sixth grade gifted program. It is different than Pizitz' program. Let me know.
